

Local Market Update – September 2023

This representation is based in whole or in part on data supplied by the Northwest Ohio Real Estate Information System (NORIS) Multiple Listing Service. NORIS does not guarantee or is not responsible in any way for its accuracy. Data maintained by NORIS may not reflect all real estate activity in the market.

Lucas and Upper Wood County

Lucas County, Perrysburg, Northwood, Rossford & Lake Twp.

National sales of existing homes recently fell to a 7-month low, as surging borrowing costs, rising sales prices, and limited inventory continue to keep many would-be buyers out of the market. Borrowers have become increasingly sensitive to fluctuations in mortgage rates, which have remained above 7% since mid-August. With fewer buyers able to afford the costs of homeownership, existing-home sales declined 0.7% month-over-month and were down 15.3% year-over-year, according to the National Association of REALTORS®(NAR).

Prices have continued to increase this fall despite softening home sales nationwide, as a lack of inventory has kept the market competitive for prospective buyers, sparking bidding wars and causing homes to sell for above asking price in some areas. Heading into September there were only 1.1 million units available for sale, 0.9% fewer than a month ago and 14.1% fewer than the same period last year, according to NAR. As a result, the U.S. median existing-home sales price rose 3.9% year-over-year to \$407,100, marking the third consecutive month that the median sales price topped \$400,000.
